

Thank you!

You are making great care close to home possible for our friends and neighbours in our community. You will see for yourself in the pages ahead the impact of your giving and what it means for families in our neighbourhood.

At St. Joe's, we are thankful to have a great team of expert and caring staff and physicians. Your donations give our health professionals many of the tools, space and support they need to provide the very best care to every patient who comes through our doors.

This is a look back, but thanks to you, we can also look ahead. There are always ways we can make things better for our friends and neighbours who need care. For example, your support can help us renovate our Just for Kids Clinic, Toronto's first walk-in clinic based in a hospital. This well-known clinic is moving into the Our Lady of Mercy Wing but we need to make the two examination rooms it has now into four rooms, and make the space truly work for kids and their parents. We are also raising funds to purchase an Endo-Bronchial Ultrasound, which helps our doctors diagnose lung conditions faster in a way that is completely non-invasive. Other priorities include building a Learning Centre to help our healthcare teams stay up-to-date on the latest in medical best practices, further renovations to our patient care spaces, and equipment that is essential for all of our teams when looking after our friends and neighbours.

Your support is critical. That's why we are so glad to have you as part of our St. Joe's family.

Marilynne Day-Linton
Chair, Board of Directors
St. Joseph's Health Centre Foundation

Maria Dyck
President,
St. Joseph's Health Centre Foundation

Looking ahead...

Building a new Just for Kids Clinic for children like Sophia.

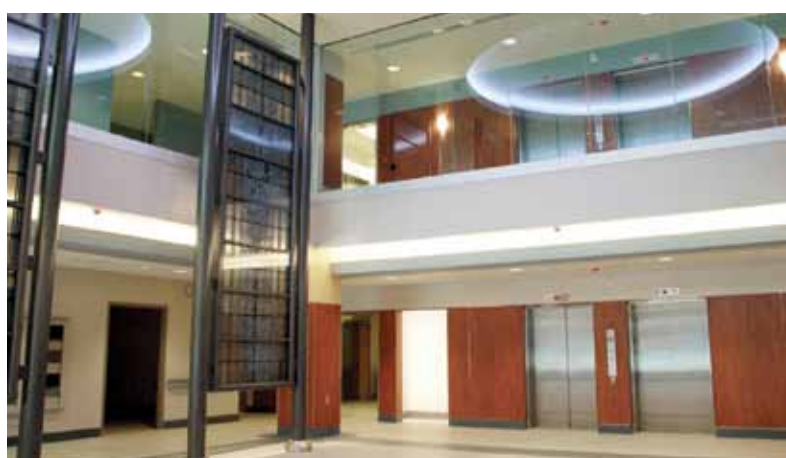

Purchasing new technology like an EBUS to diagnose lung conditions faster.

Building a Learning Centre to teach and train tomorrow's healthcare providers.

Look what you helped build

Your generosity ensures that the 500,000 people living in our neighbourhood have access to the best doctors and healthcare teams just minutes away. Your donation made it possible to build a new patient care wing in our community. This four-storey wing—the Our Lady of Mercy Wing—offers babies, children, young families, adults and seniors the best care on four new floors.

Thank you for supporting great care in your neighbourhood

The following people have made a cumulative donation of \$500 or more between January 1, 2011 and December 31, 2011. Your support helps us purchase new equipment, build new facilities and train tomorrow's generation of healthcare professionals.

Hole-in-one for St. Joseph's Health Centre

On September 12, St. Joseph's Health Centre Foundation hit a hole-in-one at the 9th Annual Fall Classic, raising \$140,000 to support the greatest needs of the Health Centre. Special thanks to our presenting sponsor Pfaff Audi and Co-Chairs John Clarke and Mike Moro. Register now for our 10th Annual Fall Classic on September 10, 2012 at foundation.stjoe.on.ca/golf2012.

FUNraising success

Enthusiastic staff and physicians from the Health Centre are teaming up to raise funds for vital needs at St. Joe's. Our FUNraising committee has flipped burgers and pancakes, sold bricks and 50/50 tickets to support the Health Centre. You can join them by calling Tanya Lorenc at 416.530.6486 ext. 4053.

Festival fun

Our volunteers joined us for three community festivals—the Taste of the Kingsway, the Ukrainian Festival on Bloor West, and the Polish Festival on Roncesvalles—that had more than 400,000 people pass through our St. Joe's booth. St. Joe's will be back again at each festival in early September, 2012.

New technology in our labs

If you go to any fast-food restaurant, you can see how orders are prioritized to keep line-ups moving. Donations from donors like you made it possible to implement a similar system in our lab. A large flat screen monitor now lists priority specimens that are being analyzed to ensure results get reported faster.

A tribute

Thank you for honouring someone who has made a difference in your life. We received cumulative donations of \$500 or more as a tribute to the following people between January 1, 2011 and December 31, 2011. Visit foundation.stjoe.on.ca and click on [Show your love and thanks today!](#) to learn how you can honour someone special at St. Joe's or call us at 416.530.6704.

In memory

We received donations to remember the following special people from January 1, 2011 to December 31, 2011. Making a donation in memory of someone is a meaningful way to express your sympathy and recognize a cause that may have been special to them. Call us at 416.530.6704 or visit foundation.stjoe.on.ca to make a donation in memory of someone special to you.

Operation update in our Family Birthing Centre

When Grayson was born at St. Joe's, Juliana Sprott was inspired to give back through The Sprott Foundation and support other families. She made a generous donation to fund much-needed prenatal education supplies, a pilot program to ensure there is fresh food after-hours for birth partners, and new furniture for our Family Birthing Centre to help our teams take care of new moms and their babies.

Giving can be a family affair

Joe and Peter Barnicke and the Barnicke family have made a new gift of \$102,000 towards the new wing. As a child, Joe was cared for by the Sisters of St. Joseph, who inspired him to give back through the Foundation. Today, Peter continues this tradition as a volunteer Foundation board member. "We support St. Joe's with great pride," says Peter.

New mattresses in emergency

Emergency RN Rachel Anderson and Clinical Care Leader Sandy Foster will tell you that care in our Emergency never stops. Last year, more than 90,000 of our friends and neighbours turned to our Emergency team for help. Equipment and supplies need to be updated regularly. Last year, donor support helped purchase six new specialized mattresses for our patients.

Giving back through photography

Leigh Tynan had gestational diabetes during her pregnancy and faced four daily injections of insulin. When her daughter Stella was born, she also needed extra care in our Neonatal Intensive Care Unit. But Leigh says she always felt cared for and was inspired to give back. She is a professional baby photographer and donated her time to take pictures of other moms and St. Joe's babies for our seasonal campaign.

Our Community of Angels

Supporters who give monthly help St. Joe's fund priority needs. The following people are called our Community of Angels because of their commitment to give monthly between January 1, 2011 and December 31, 2011. You can join them! Call us at 416.530.6704 today!
